

## **August 2014**

Dear General Body members,

In the spirit of communication and transparency, I am reporting some updates as follows:

1. As you all know, with great fanfare and Vedic traditions over three days (Aug 7-9, 2014) we carried out Pratistha of three new deities (Lord Shree Venkateshwara, Goddess Durga, Holy Shivalingam) as well as that of all the existing deities. On behalf of the Board I thank our president Atul Agnihotri, the Executive Committee, Mahotsava chairs Arun Agarwal and Sangeeta Mehta and all of their leaders and team of volunteers for all their execution.
2. Few months ago, there was a request from some community members for adding a small Hanuman murty and a small Nandi to the Ram murty and Shivling respectively. Following the process in constitution this was deliberated and a confidential ballot was taken. This resulted in a majority of the active board members approving these additions. The Building Committee and the Executive committee will now be working on a plan to affect this.

Thank you and I will periodically keep you apprised.

Chairperson of the Board:

Sudershan Jetley

1. At the first board meeting, the Board trustees welcomed the new executive committee members and thanked the outgoing committee for a job well done. The board also congratulated the new committee on a very successful "My temple" function that was the start of the yearlong 25th anniversary of the Temple.
2. The future BOT meetings are scheduled for: March 2nd, May 4th, July 6th, September 7th, November 2nd and the last meeting on January 11th, 2015.
3. I have appointed the chairpersons of the standing committees of the board and also welcomes the 2 board members, Gulshan Malhotra and Puneet Goel as the members from the General Body of the Temple. These are listed in the accompanying document.
4. The building committee has ordered ( purchase) two new murties i.e. of Lord Venkateshvar and Mata Devi and a Shiv Ling. The hope is to do this by august, i.e. by the Festival.
