

*Aumkaaram Bindu Sangyuktam, Nityam DhyayantiYoginah
Kaamadam Mokshadam Chaiv, Aumkaaray Namoh Namah*

Yogis meditate forever on Aumkara associated with the Bindu
Salutation to the Aumkara, grantor of all wishes and salvation.

*Aakashat Patitam Toyam Yatha Gachhati Saagaram
Sarvadev Namaskara Keshavam Pratigachhati*

As all the drops of the rain that fall from the sky reach the ocean
So also the prayers to all forms of God ultimately reach Keshava

*Karagre Vasate Lakshmi Kara Madhye Saraswati
Kara Moole Sthita Govinda Prabhate Kara Darshanam*

On the tips of your fingers resides Goddess Lakshmi
In the middle of your hand (palm) resides Goddess Saraswati
At the base of your hand (palm) resides Lord Govinda
Hence look at your hand (palm) every morning with reverence

*Gange Cha Yamune Chaiv Godavari Saraswati
Narmade Sindhu Kaaveri Jalosmin Sannadhi Kuru*

Ganga, Yamuna, Godavari, Saraswati, Narmada, Sindhu, Kaveri
May all these have a holy confluence in this water

*Yo Deva Savitasmakam Dhiyo Dharmadi Gochara
Preryet Tasaya Tad Bharga Tad Varenyam Upasmahe*

We worship God in the form of the Sun, whose luster is most adorable
May he aspire and direct our intellect

*Shubham Karoti Kalyanam Aarogyam Dhansampade
Shatru Buddhi Vinashay Deepajyoti Namastute*

I prostrate to that lamp light which brings brilliance, auspiciousness,
Health, wealth and possessions – for the destruction of all the enemies of the intellect
